

Orders of Human Connection

| orders | Wilber's altitudes | Personhood | Intimacy | Community | realm |
|--------|--------------------|--|---|--|-------------------------------|
| 8° | violet | I am one with all Creation | Relationship has oceanic qualities | All is in communion with All | transpersonal / spiritual |
| 7° | turquoise | I am not intrinsically different from others, their needs are mine | Relationship has meaning and purpose and seeks the release of suffering of others | Engagement with other Communities creates collaboration | |
| 6° | teal | I discover new perspectives by integration of apparent conflicts | Relationship discovers its core identity by integrating our disparate needs | Integration of divergent aims enhances Community [integral] | intrapersonal / internal |
| 5° | green | I am the multifaceted creation of my many experiences | Relationship tested as we discover that we don't want to same things. | Community embraces its own diversity [post-modernity] | |
| 4° | orange | I am the one choosing my roles and relationships | Relationship forms its own unique identity as we clarify what we each want | Community affirms a distinct aim or purpose [modernity] | interpersonal / relational |
| 3° | amber | I am my roles and relationships | Naming and claiming who we are to each other creates Relationship. | Community assigns roles and constructs constraints [traditional] | |
| 2° | red | I am the one having my experience | We choose shared experience | Community chooses to act on its own behalf | personal / material |
| 1° | magenta | I am my experience | We experience each other | Community gathers by mutual attraction or common constraint | |
| 0° | beige | | | | |
